

IN THE WOMAN'S WORLD

MUCH INTEREST IS SHOWN IN THURSDAY MORN BIBLE CLASS

Earnest Study and Enthusiasm Mark Resumption of Meetings This Fall

Of the many woman's organizations in this city, there is perhaps none that holds the interest of the thinking women more than the Thursday Morning Bible Class that is held at Central Union Church every week.

This class was formed by Mrs. Paul Super last year. Mrs. Super is chairman of the religious movement committee of the Ladies' Society of Central Union Church and the Bible class is under its direction. The forming of the class was almost unthought of among the women here and was first brought to the attention of them at a luncheon given by Mrs. Super at her home. The ladies readily fell in with her plans and each of them undertook to invite ten or fifteen other women to a luncheon at the Colonial. There were eighty present at the luncheon and the plans for the class were discussed by both Mrs. Super and Mr. Ebersole. When it came time to enroll, sixty names were turned in to Mrs. Super. Soon, how-

ever, the enrollment increased and reached the number of one hundred and twenty-five. There was an average attendance of seventy at the sixteen meetings that were held during the year and great interest was shown in the work.

It can hardly be said that this class is in connection with the church, and it can hardly be called religious. The purpose of the members is to study the New Testament, as they would study any other great literary production. The one text used is the Twentieth Century Testament, and each morning Mr. Ebersole delivers lectures. Those present are given mimeograph outlines of the lectures and are told beforehand what the following subject will be. As the class is unusually large little time is given to discussion, but there is a question box at the entrance of the room and the first part of the morning is devoted to the answering of the questions found there. Mr. Ebersole is wonderfully clear in his explanations and much is gained by the attendance at the lectures. This year there have been only two meetings but though the enrollment is not so large as that

of last year, the attendance is greater. There were eight-six ladies present at the first meeting and ninety-six at the second.

So far as is possible, Mr. Ebersole goes back to the Greek translation of many of the words and thus brings out the true and correct meaning of them. He also lays much stress on the way in which the Gospel has been preserved and handed down from generation to generation.

Last year a study was made of the Gospel from the beginning of the Testament to the Sermon on the Mount. And this year the two lectures have been devoted to that wonderful sermon.

It is well known that every time one reads the scriptures new meanings and new passages come to light and the study of the scriptures with one who is quite familiar with them can not be anything but beneficial as well as interesting. The study of the Gospel in this Bible Class is a systematic, intensive study of the Gospel records. The lectures are given in a manner similar to that in a class room, as any English classic might be studied.

If the interest in this work continues through the present year, Mr. Ebersole plans something quite different for the following year, as two years on the same kind of subject is considered quite enough. Although many of the students are attendants or members of Central Union Church, the class is open to the women of Honolulu regardless of denomination, and an invitation is extended to them by the Woman's Society. It is said by those who have attended all the lectures that the interest shown by the women is intense and increasing. Where few questions were asked at first, more are asked now and many interesting points in scriptural history are brought out each time.

COOKE-MELANPHY NUPTIALS WERE CELEBRATED LAST NIGHT

Miss Juliette Cooke, daughter of Mr. and Mrs. Frank Cooke, was united in marriage last evening at St. Andrew's Cathedral to Mr. Edmund Melanphy, son of Mr. and Mrs. J. F. Melanphy. Right Rev. Bishop Henry Keeler performed the ceremony.

The cathedral was filled with a fashionable crowd of friends and relations of the bride and groom. Miss Cooke was escorted to the altar by her father, there meeting the groom, Miss Lydgate of Paalo was maid of honor and Mr. Alfred D. Cooper best man. The ushers were Mr. Jack Chard, Mr. Percy Deverill, Mr. John Clifton, Mr. Reginald Melanphy, Mr. Jones and Mr. Reynolds McGrew. The bride, her father and the maid of honor were preceded up the aisle by flower girls and a little flower boy, Master Herbert Richards. The girls were Martha and Anna Cooke, daughters of Mr. and Mrs. C. H. Cooke, Caroline Cooke, daughter of Mr. and Mrs. C. Montague Cooke, and Marjorie Atherton, daughter of Mr. and Mrs. Frank C. Atherton.

After the wedding a reception was held at the home of the bride's father and mother in Kaimuki.

TO PROVE BRIGHT'S DISEASE CURABLE

Many physicians are now saving cases of chronic Bright's Disease heretofore supposed to be incurable. But to convince more members of the profession on Saturday, May 18th, the San Francisco dailies (Evening Post and Bulletin) contained an invitation to the effect that if four reputable physicians of known standing in San Francisco would send us a case of chronic Bright's Disease (patient to be strong enough to call at our office) showing a large amount of albumen and casts, a case in which Digitalis, Nitro Glycerine and Bashman's Mixture have failed, with a letter signed by them showing these facts, we would attempt to return the patient in sixty days with the albumen and casts reduced one-half or more and patient on the road to recovery. If we fail, we to publish the fact, if we succeed the physicians to admit it.

All these cases do not recover, but so many have that with the hope that it would convince more physicians and save more of the thousands annually dying under the old treatment, we made the above offer.

(Note—In critical cases the heart and eliminative treatment, etc., should be continued with the Renal Compound if necessary. There is no conflict.)

"PARSIFAL" AT EMPIRE IS BIG ATTRACTION

What promises to be an instructive, interesting program of "slides" and animated pictures is billed for tonight's program at the Empire Theatre, when an illustrated lecture on the Gould production of Richard Wagner's "Parsifal" will be given, showing scenes from this famous production, and a two reel production in moving pictures of Pathe's famous "Passion Play, or The Life of Christ."

Both these features are highly interesting and as "Parsifal" is billed for tonight only, and the "Passion Play" but for two nights it is expected that capacity houses will support this high-class program.

To offset the rather "heavy" part of this bill three well selected reels of moving pictures will be presented, two of them being famous comedies and the third the latest Pathe's weekly, making a most excellent program.

CANDY AND ORNAMENT SALE AT PUNAHOU

At the opening of every school year there is a scarcity of funds in most of the school organizations and these are padded out by donations, subscriptions, and in various other ways. This year the senior girls urged by Miss Ruth Anderson, Miss Myrtle Schumann, Miss Marguerite Wadman, and Miss Marjorie Gilman, held a candy and football ornament sale at Punahou. The sale took place yesterday morning at Oahu college and a clearance of sixteen dollars was made. The candy was homemade and was delicious, but the miniature footballs fastened to rosettes of blue ribbon attracted the eyes of the students and in less than ten minutes every one of the thirty that were on sale was purchased, indicating that the school spirit of Punahou is very much alive. As this sale was a decided success there will no doubt be several more.
